

SPECIALIZED ACCREDITATION OF 31 EDUCATIONAL PROGRAMS IS CONDUCTED AT DULATI UNIVERSITY

On the basis of the agreement No.111-SA signed on December 8, 2026, the University of Dulati has been undergoing specialized accreditation for 31 educational programs combined into 9 clusters since March 2, 2026. The process is carried out by the Independent Accreditation and Rating Agency (IAAR).

During the accreditation process, 27 external experts evaluate the academic process:

- 12 experts - offline at the university;
- 15 experts - in online format.

The experts included representatives of foreign and national higher education institutions, independent experts, employers and members of the student community.

During the visit of external experts, the Expert Commission comprehensively examines:

- The content of educational programs and learning outcomes;
- educational and methodological support;
- the potential of the teaching staff;
- scientific and research activities;
- material and technical base;
- A system of student support and internal quality assurance.

Meetings will also be held with the university's management, heads of structural divisions, teachers, students and employers.

Specialized accreditation is an important mechanism for independent assessment of the quality of education. It aims to improve educational programs, improve management efficiency and strengthen the academic reputation of Dulati University.
