

## CLARIFICATION OF THE IMPLEMENTATION OF THE KEY INDICATORS OF APPLICATION № 4 TO THE DEVELOPMENT PROGRAM

On October 8, 2025, a meeting was organized at Dulaty University with the heads of structural units responsible for application № 4 to the Development Program.

- The objectives of the meeting were:
- To assess the implementation of the key performance indicators for 2025;
- To hear reports from the responsible persons on the status of indicator fulfillment;
- To clarify the plan of key performance indicators for 2026–2028.

❖ The meeting was opened with introductory remarks by Board Member and Vice-Rector for Strategic Development and Internationalization, Sholpan Yessimova, who shared her views on the importance of the performance indicators.

❖ During the meeting, the progress of 45 indicators for the current calendar year was discussed.

❖ At the conclusion of the meeting, amendments and adjustments were made to a number of indicators. The responsible structural units were provided with clarified deadlines for formalizing the indicators through supporting documentation and uploading them into the system.

❖ Information on the implementation of the University's key performance indicators for 2025 will be submitted for review to the Ministry of Education of the Republic of Kazakhstan in early November.
